# BODY EXPERIENCES

### The Sculptor $550

Our signature fusion of our Brazilian Lymphatic Drainage Massage and Sculpting Body Wrap cocooned in infrared heat. A transformative ritual designed to contour, decongest, reduce the appearance of cellulite, and improve inflammation revealing a lighter, more sculpted silhouette.

### Myocontour Body Contouring

Full Body $300 | Specific Area $150

Transformative infrared and microcurrent treatment that sculpts the body, tones muscles, and supports full body collagen and elastin renewal. Target the stomach, arms, legs, or buttocks—or combine areas for a customized full-body contouring experience.

# ABOUT US

An intimate luxury, wellness spa for those seeking the combination of deep relaxation and wellness .

All of our experiences are fully customized through our holistic mind, body, soul approach to meet your needs while using only the finest ingredients including the two top organic skincare lines in the world and specialized world class techniques.

A portion of all treatments go to **The Carroll Care Initiative** fund providing treatments for oncology patients and domestic abuse survivors
